

2017 REPORT CARD

CARDIAC SAFETY RESEARCH CONSORTIUM

Below is a report card of accomplishments and involvement for your industry for the year 2017. Please feel free to contact us if you would like to be more involved. We welcome new ideas.

SCIENTIFIC MEETINGS

- Co- Sponsored Meetings
 - THI International Symposium on Cardiovascular Regenerative Medicine
- Think Tank Meetings
 - CSRC Prevention of Sudden Cardiac Death in the Young: National Screening Warehouse Pilot Study
 - Detection, Assessment, and Risk Mitigation of Cardiac Safety Signals in Oncology Drug Development

WHITE PAPERS, SCIENTIFIC PAPERS & SYNOPSIS OF THINK TANK MEETING DOCUMENTS

- *Clinical event adjudication in cardiovascular device trials: A Food and Drug Administration perspective*
- *Use of Endpoint Adjudication to improve the quality and validity of endpoint assessment for medical device development and post-marketing evaluation: Rationale and Best Practices. A report from the Cardiac Safety Research Consortium.*
- *Prevention of Sudden Cardiac Death in the Young: Developing a Rational, Reliable, and Sustainable National Health Care Resource. A Report from the Cardiac Safety Research Consortium.*
- *Is There a Role for Pharmacokinetic/Pharmacodynamics Guided Dosing for Novel Anticoagulants?*
- *Long-term Electrocardiographic Safety Monitoring in Clinical Drug Development: A Report from the Cardiac Safety Research Consortium*

2018 EVENTS

THINK TANK MEETINGS:

- DIA Real World Evidence Short Course (January 2018)
- Driving Efficiencies in Clinical Trials through the Use of Cardiac Biomarkers (Spring 2018)
- Defining the Clinical and Regulatory Landscape for Cardiogenic Shock (Fall 2018)
- Use of Mobile Technologies in Clinical Trials for Assessment of Cardiovascular Endpoints (Fall 2018)
- Evaluation of Heart Failure as an Off-target Event in Development of Diabetes and other Non-cardiac Drugs (Date TBD)

PILOT STUDY MEETING:

- CSRC Prevention of Sudden Cardiac Death in the Young Pilot Study Training session at the 13th Annual Heart-to-Heart Meeting (January 2018)

COLLABORATION:

- Participation in DIA Annual Meeting (June 2018)
- Development of DIA Real World Evidence Educational Curriculum
- Participation in ACCP Global Conference (October 2018)

PAPERS IN PROGRESS:

- *The 2nd Annual Think Tank on Prevention of Sudden Cardiac Death in the Young: Developing a Rational, Reliable, and Sustainable National Health Care Resource. A Report from the Cardiac Safety Research Consortium.*
- *Real World Evidence CV Safety Think Tank Proceedings*
